TERM DATES SEPTEMBER

Our September term will begin the week of the 12th–16th September and will be a 10 week term.

We will have a week off for half term, the week of 24th–28th October.

This term will finish the week of the 21st–25th November.

The term after will begin straight away the week of the 28th November– 3rd December and again, last for 10 weeks ending the week of the 13th–17th February with 2 weeks off for the Christmas period, between 19th December and 3rd January 2006.

Most terms will now be 10 weeks long, they will run concurrently with breaks for school holidays mid term. There will be slight alterations where one term may be 11 weeks followed by one of 9

weeks if the school holidays would split the term by one week.

We have decided to move ahead with the 10 week terms to make progression as even as possible and to reduce the amount of times you have to re book.

Our class level plans have been adjusted so more is incorporated into each term accordingly.

REBOOKINGS will take place in week 7 and 8 of each term and course fee payments must be made by week 9 (if you pay by cheque) to secure your place. If you pay with a debit or credit card and you are happy for us to keep your details we will begin debiting course fees on week 9.

AUGUST PHOTO SHOOT

Our next photo shoot will take place on SATURDAY 13th AUGUST at Splash Swim School, Timperley.

It will begin at 10am and you will be given a 15 minute time slot on booking (there are 6 babies to each time slot) We take up to 3 pictures each baby, though this depends on your baby on the day.

You may book a place as long as you would have completed your first course before the shoot date and have attended most of your classes.

It is better if your baby is happy in the water in general.

The photo shoot cost is £25.00

You will then need to come to the Aqua Babies office one week later (20th August) to come and view your pictures and order.

Print prices start from £15.

Please see your teacher for details.
